

Dear Student,

Here we would like to draw your attention to two of our student services which help exchange students organize their stay in Budapest.

(1) Mentor System (Students help students)

When moving to a foreign country, you might need a local person who can help you with the first steps. In the Mentor System of ESN ELTE, as an international student at ELTE, you will have an ESN ELTE Mentor, a Hungarian student who helps you with academic and everyday issues, including finding accommodation.

For more information please visit <http://elte.esn.hu/> or join the facebook group “ESN ELTE” (<https://www.facebook.com/groups/esn.elte>). If you need further assistance, please send an email to Tamas Soproni at president@elte.esn.hu.

(2) Housing – Finding your private accommodation

Partner real estate agencies:

Please have a look at the list of our partner real estate agencies and some basic information about them. These agencies help you find the right place for your stay in Budapest. In case you need help with communication, your student ESN ELTE Mentor helps you contact the agencies.

When you contact the agencies, please mention that you are an exchange student at ELTE. Please note that the amounts given are a rough estimate of the rental fee without any utility costs.
