

Ground Rules for Events

In order to enable everyone to work together in an equal, non-discriminatory, respectful and trusting manner, the following principles apply to everyone at the Department of Geography:

- **We treat each other with mutual care and respect.**
- **We use sensitive and inclusive language.**
- **We call out discriminatory statements/texts/symbols and oppose them.**
- **Violence and sexual harassment, whether verbal or physical, will not be tolerated in any way.**
